

# Triumph Cellars

2010 CHARDONNAY

Calistoga Cellars was founded in 1996 as a partnership of friends from around the U.S. who act as ambassadors for the winery in their respective communities.

Our wines are made by Barry Gnekow, an award-winning winemaker with 30+ years experience making wine. He sources Chardonnay fruit from our Estate vineyard and from Napa Valley vineyards north of St. Helena. Barry's style is full-bodied, fully malolactic, and richly aromatic. It is perfectly paired with saffron-flavored rice dishes, seafood, and cream-sauced pasta.
