

Calistoga Cellars

2005 CABERNET SAUVIGNON

Calistoga Cellars was founded in 1996 as a partnership of friends from around the U.S. who act as ambassadors for the winery in their respective communities.

Our wines are made by Barry Gnekow, an award-winning winemaker with 30+ years experience making wine. We source our Cabernet fruit from our Estate vineyard in Calistoga, as well as Napa Valley vineyards near St. Helena. The 2005 has collected multiple awards for its depth and purity of flavor. With layers of plum, cherry, chocolate, herb and oak, this Cabernet finishes with soft, sweet tannins and lots of elegant complexity.
