

Calistoga Cellars

2006 ZINFANDEL

Calistoga Cellars was founded in 1996 as a partnership of friends from around the U.S. who act as ambassadors for the winery in their respective communities.

Our wines are made by Barry Gnekow, an award-winning winemaker with 30+ years experience making wine. Barry's Zinfandel has a very elegant mouth-feel that some tasters call Claret-style. The addition of Cabernet Sauvignon to the blend adds complexity to the exuberant Zinfandel fruit and structure to the palate. Deep ruby-black color, bold pepper, plum and raspberry nose. It finishes with creamy vanilla, and is ready for enjoyment now. Perfect with grilled meats.
